Dear Mr. Garland:

On behalf of the Imperial Unified District Board of Trustees, administration, staff, and students at Westside Elementary School, I would like to thank Pattern Energy for the generous donation. This donation allowed our district to keep Westside School, one of the smaller schools in our district, open for the children in the Ocotillo area for the 2011-12 school year.

This school serves as a source of pride for our residents in the district but especially in the Ocotillo area. We appreciate your efforts in reaching out to our district to meet our needs this year. I hope that we can continue to count on your support as we plan for the future.

Sincerely,

Lisa Tabarez
