

October 26, 2011

Ms. Claudia Weise  
Pattern Energy Group  
Pier 1, Bay 3  
San Francisco, CA 94111

Dear Ms. Weise,

On behalf of MANA de Imperial Valley, we want to thank you for your Silver Sponsorship of the 2011 Las Primeras Gala Awards and Scholarship Fundraiser. The monies raised at this event will be used to provide university and college scholarships to local graduating high school seniors and to fund local cultural and community activities.

Our chapter has grown tremendously in the last three years and we are working diligently to reach the 100 member mark. This year, our members participated in the March of Dimes, March for Babies event at the Cattle Call Arena. A few weeks ago, MANA members participated in the Girls Leadership Conference sponsored by Imperial County Migrant Education Region 6. Our members also recently participated in the Annual Walk Against Domestic Violence. Also, in addition to our Hermanitas Club at Brawley Union High we added a Hermanitas-Girl Scout Troop at Calexico High School. We now have about 80 students in our Hermanitas Clubs in Calexico and Brawley High School. We are proud to have awarded over \$12,000 in scholarships to Latina high school graduating seniors from throughout the Imperial County. In the last three years we have awarded over \$37,000!

We could not provide the opportunities for our local youth and community without your support. We look forward to building a stronger relationship with you throughout the years. Again, thank you and we hope to count on your continued support at our 2012 Las Primeras Gala and Scholarship Fundraiser.

Sincerely,

Alicia M. Armenta  
President  
MANA de Imperial Valley
